

Teacher: Electrical Installation (2 posts)
Construction and Building Services
Ref: 21.31

1. The Appointment

This is a great opportunity for a dynamic, professional individual qualified in an appropriate discipline to join a forward thinking college to develop and teach on Electrical Installations, across a range of courses and across all disciplines.

We are seeking to recruit enthusiastic and dynamic individuals to be part of our Electrical Installations Building Services team, to teach and assess across a range of programmes. You will plan, deliver and assess identified vocational programmes and support developments within the area.

You will be a highly self motivated, energetic and driven individual, encompassing a strong sense of autonomy. You will possess strong presentation and communication skills and be able to demonstrate achievement of targets.

You will be a role model for college learners and will work to the classroom professional standards .

This post carries a commitment of 836 delivery hours.

The role will require you to embed the college's values; **Respect, Integrity, Collaboration, High Expectations, Responsibility.**

2. The Post

2.1 Main Duties and Responsibilities

- a) To co-ordinate, design, deliver and develop a programme(s) of study for a group(s) of learners in college.
- b) To develop best practice in learning, teaching and assessment ensuring standardisation and continuity.
- c) To assess learners according to established guidelines.
- d) To develop part-time and full-time programmes.
- e) To design, develop and monitor resources for learner use.
- f) To act as personal tutor to a group(s) of learners and co-ordinate tutorial support liaising with your Head of Department. Provide accurate current feedback on progress and outcomes to managers and learners.
- g) To monitor and manage learner attendance and maintain appropriate standards of behaviour.
- h) To keep up-to-date with curriculum initiatives, development of standards and general developmental and professional issues relating to the delivery of learning in your area.

- i) To contribute to the internal and external quality assurance procedures in line with Awarding Body and college requirements.
- j) To implement quality procedures, contributing to thorough, evaluative programme reviews which feed into the self-assessment process.
- k) To complete documentation, appropriate records of learner performance and administration associated with role and responsibilities.
- l) To implement the college's Mathematics and English Policy.
- m) To take responsibility for and participate in continuous professional development.

2.2 Other Responsibilities

- a) To uphold and promote college policies and procedures, promoting those specifically applicable to this area of work, including the Equality & Diversity and Health & Safety policies and procedures and attend training as requested.
- b) To comply with the college's own safeguarding policy and practices and attend training as requested.
- c) To keep up to date, so far as necessary, for the efficient executing of the job, with new legislation, procedures and techniques and attend relevant mandatory training.
- d) To be conversant with and participate in activities and developments at college, regional and national level which are relevant to the post.
- e) To present and promote an appropriate public image in representing the college.
- f) To undertake any other duties as may reasonably be required commensurate with the post.
