

Qualification factsheet

CIPS Level 5*

Advanced Diploma in Procurement and Supply

Who is it for?

Provides senior buyers, contract and supply chain managers with the expertise to improve organisational procurement and to fulfil organisational objectives. It gives you the knowledge base to reduce cost, improve quality and timescales, manage the supply chain and deal with legal issues.

What will I learn?

Building on the practical knowledge and understanding gained at CIPS Level 4 Diploma in Procurement and Supply you will develop a higher level of practical, theoretical and technical knowledge and understanding of procurement and supply. Your learning will focus on how to deal with key aspects of risk in supply chains and mitigation of those risks; processing and evaluating contracts and the impact of legal implications when contracts are breached. On completion of this qualification you can expect to improve your overall organisational procurement and supply performance to fulfil your organisational objectives.

Your total qualification time (TQT)

The TQT indicates the overall number of guided learning hours, additional self-study and assessment time that is required.

600
TQT HRS

Guided learning hours (GLH)

It is expected that you will undertake 250 GLH. The definition of guided learning hours is: 'A measure of the amount of input time required to achieve the qualification. This includes lectures, tutorials and practicals, as well as supervised study in, for example, learning centres and workshops'.
