

Pick a War or Revolution that has occurred in the last 400 years.

Here are some suggestions-, Cuban Revolution, Sixties Social Revolution, Industrial Revolution, Russian Revolution, American Revolution, Vietnam War, Spanish American War, American War of Independence, American Civil War, First World War, and Second World War

Produce a short project of about 750 words, more if you can, in response to the following questions:

- Why did the War or Revolution take place?
- What were the key features of the War or Revolution?
e.g. ideas, events, changes, problems
- What has been the lasting legacy / impact of your chosen War or Revolution?
- Research and use at least 5 images to illustrate your chosen War or Revolution

Please hand in during the first History lesson (day 2 of the induction)
