

	<h2>Changes to how we are working</h2>
	<p>Services are not being run in the usual way</p>
	<p>This is due to Covid 19 (see attached sheet)</p>
	<p>Most home visits will not be happening</p>
	<p>We will use the telephone to find out how you are</p>
	<p>If we have to see you we will be wearing a mask, gloves and apron (see attached sheet)</p>
	<p>This is to stop the virus from passing from person to person</p>
	<p>This might last for a few months</p>
	<p>We will let you know when things have gone back to normal</p>
