

The Coronavirus

The Coronavirus is a virus that can make people feel unwell.

COVID19 or
CORONAVIRUS

The Coronavirus can also be called "COVID-19".

People who have the Coronavirus may have:

- Sore Throat
- Dry Cough
- A Fever
- Difficulty Breathing

Most people who have the Coronavirus will stay at home to get better.

Some people who have the Coronavirus will go to the hospital to get better.

To help stop the spread of germs, people must cough or sneeze in a tissue then put the tissue in a bin.

To help stop the spread of germs, people must wash their hands with soap and water:

- Before eating
- After sneezing
- After touching your nose or mouth

We should take our time when we wash our hands.

Washing between fingers and all over our hands.

Use a hand sanitiser if there is no soap.

People are not allowed to go to busy places. Lots of shops, events and places are staying closed.

You will have to spend more time at home.

Your family and staff will help you find activities to do at home.

Places will be closed to try to stop lots of people catching Coronavirus and let everyone get better.

Just like other types of flu, the Coronavirus will go away.

It is important that we follow what the Government and NHS ask us to do.

If you are worried about Coronavirus you can talk to family or staff who support you.

There are people who can help you.
