KIT LIST

DIGITAL, COMPUTER SCIENCE AND IT

Digital, Computer Science and IT

Kit List

- USB stick around 32GB
- Writing implements – pens/pencils
- Notebook
- Online storage
- Headsets would be beneficial but are not essential.

Home PC needs to be capable of running Word, PowerPoint and Excel (Microsoft Office packages).

You do not need a high-spec PC or need to buy any specialist software as this will be provided at college.
