

KIT LIST

A LEVELS

A Levels Kit List

Some A Level subjects will require specific kit, please see below:

Business:

- A calculator (doesn't need to be scientific).

Biology, Chemistry, and Physics:

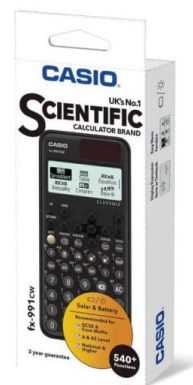

- A scientific calculator (any type)
- 30cm ruler.

Environmental Science:

- Walking boots
- Wellies
- Outdoor and waterproof clothes
- Calculator (doesn't have to be scientific).

Maths:

- Students need to have the Casio fx-991cw scientific calculator.

English Literature:

Year 12 students are asked to buy the below to ensure all students have the same page numbers, and they also include additional notes and articles to help with reading.

Links are provided for Amazon and Cambridge Book Shop, but could be found cheaper elsewhere.
