

KIT LIST

ANIMAL CARE

Animal Care Kit List

Dear student,

You will soon be starting your course at West Notts College, where you will be working at a local animal facility as part of your programme of study. To keep you safe, personal protective clothing **must** be sourced and worn on all of your practical days of your course.

This **must** include:

- **Steel toe capped boots (not trainers)**
- **Work trousers (dark blue/black)**
- **West Notts College T-shirt**
- **West Notts College hoodie**
- **West Notts College fleece.**

Steel toe capped boots and trousers could be purchased from alternative suppliers e.g. Arco, Sports Direct, Screwfix etc.

In order to get your uniform for Monday 7 September, you should ideally order items by Friday 24 July. Any orders placed after this date cannot be guaranteed they will arrive for the course start. **All students are required to be in full uniform by October half term, failure to comply with this will result in being unable to attend practical sessions.**

Students in receipt of the bursary should be eligible for support to purchase this uniform. For more information about the bursary please contact student finance at StudentFinance@wnc.ac.uk

We have some secondhand uniforms in some sizes so again please contact me if you would like to discuss loaning items rather than purchasing them all.

If you have any questions regarding purchasing the animal care uniform, please do not hesitate to contact me on 01623 900233 or email Polly.Wiltshire@wnc.ac.uk

Regards

Polly Wiltshire
