

Dear Learner

You will soon be starting your course at Vision West Nottinghamshire College, where you will be working at a local animal facility as part of your programme of study. To keep you safe, personal protective clothing **must** be sourced and worn on all of your practical days of your course.

This **must** include:

- **Steel toe capped boots (not trainers)**
- **Work trousers (dark blue/black)**
- **Vision West Notts College T shirt (£9.75)**
- **Vision West Notts College hoodie (£21.75)**
- **Vision West Notts College fleece (£22.49)**

The branded T-shirt, hoodie and fleece are purchased directly by you through Lissports, the approved supplier of Vision West Notts. Please click on the following link to place your order with Lissports <https://lissport.co.uk/wncanimalcare> as soon as possible. **Please be aware that ordered items cannot be reimbursed.**

Steel toe-capped boots and trousers are not available from Lissports so please purchase these from another supplier e.g. Arco, Sports Direct, Screwfix etc.

**In order to get your uniform for 7<sup>th</sup> September, you should ideally order items by 24<sup>th</sup> July.** Any orders placed after this date cannot be guaranteed they will arrive for the course start. **All students are required to be in full uniform by October half term, failure to comply with this will result in being unable to attend practical sessions.**

Students in receipt of the bursary should be eligible for support to purchase the uniform. For more information about the bursary please contact student finance at [StudentFinance@wnc.ac.uk](mailto:StudentFinance@wnc.ac.uk)

We have some secondhand uniform in some sizes so again please contact me if you would like to discuss loaning items rather than purchasing all.

If you have any questions regarding purchasing the animal care uniform, please do not hesitate to contact me on 01623 900233 or email [polly.wiltshire@wnc.ac.uk](mailto:polly.wiltshire@wnc.ac.uk)

Regards  
Polly Wiltshire
